Latinx Leaders take political action!

Napa County Latinx Democratic Club to hold Endorsement meeting September 12th, 2020

NAPA, CA - Latinx community leaders have unified to form a civic action group - the Napa County Latinx Democratic Club (NCLDC). The NCLDC works within the Democratic Party and community at large to bring Latinx issues to the forefront and ensure that all Latinxs are given meaningful opportunities in Napa County.

Napa County Latinx voices have been missing in local government for some time and this club strives to take action and do something about it. Latinx presence, culture, values, and language have been vital to the socio-economic success of the Napa Valley. Latinx leaders answered a call to action to create a civically-oriented organization to empower, harness, and further bolster the political power of Napa County's Latinx community.

As the club was forming and taking shape, it's founding members wanted to ensure that the club addressed issues of inclusion, mitigated opportunity gaps, and broadened opportunities for civic engagement. The NCLDC will strive to be a solutions based organization working with local elected officials, nonprofits and governing boards to better the lives of Napa County Latinx residents. The club's founders chose to use the term "Latinx", a gender neutral and nonbinary alternative to Latino in order to be inclusive to all members of the community. The Napa County Latinx Democrats Club (NCLDC) was recently chartered by the Napa County Democratic Committee composed of Latinx community leaders.

The NCLDC will implement a pragmatic leadership model and hands-on political campaigning characterized by effective fundraising, precinct operations, voter registration, voter turnout, and media use focusing on local, regional, state and national matters.

The NCLDC plans to measure the local causes and candidates to endorse by their alignment to Latinx causes in Napa County. The NCLDC will hold its first endorsement meeting on Saturday, September 12, 2020 at 11:00am via zoom, the final endorsements will be announced on the clubs website at www.NapaCountyLDC.org and on the clubs social media accounts.

There are several membership levels available to Individuals, Students, Families, Veterans and Seniors who reside, work or own a business in Napa County. The NCLDC meetings are listed on their website and social media accounts.
